Washington, January 10 .- Considerable progress was made today by the senate with the army reorganization bill, but the final vote still seems for off. Today's Santlago. proceedings were characterized by several sharp colloguys, some of them decidedly personal.

Mr. Teller presented a memorial from "2006 Filipinos and peaceful inhabitants" of Manila. The memorial was in the form of an appeal to the congress of the United States, and as Mr. Teller stated, was "signed personally by the leading people of Manila-lawyers bankers and professional men representing to bus elements of that community."
